## Trend of the farm-gate raw milk monthly average price (1) (2008 - March 2012)

<sup>(1)</sup> Prices established in the Region of Lombardy. Given the substantial volume of milk produced, the prices fixed in Lombardy are considered as points of reference for negotiations in other locations.

<sup>(2)</sup> Prices from July 2011 to March 2012 are "estimated", as they are an approximate estimation of the general trend deduced by CLAL according to industry commercial agreements and main market news.

#### **PLANS & STRATEGIES**

Source: Centrale del Latte di Torino & C. S.p.A.

Maintain the market leadership in core-business products. Marketing investments focused towards "immediate-return" activities. Innovation: focus on internal production, only for core-business products

- Fresh & UHT Milk: strengthen sales volume and market shares. Fresh milk: growing promotional support. 1.5 It fresh milk: finalisation of distribution enlargement process at Vicenza.
- **ESL standard milk**: cover this highly potential (22.8% of total fresh milk) and fast growing market area (+5.2%) (*source: 2011 IRI super + Super*) through direct production in Turin plant for all Group's Companies. Launch: Centrale del Latte di Torino September 2011; Centro Latte Rapallo November 2011, Centrale del Latte di Vicenza Q2 2012.
- High Digestibility milk: support the growth of such innovative and profitable products through a further implementation of ESL technology, considering its excellent on-going performances.
- Yogurt and Probiotic: efficiency provided by the high quality production capacity established in the new Vicenza plant (R&D and yogurt production for the Group's companies). Growth in volume through promotional support, new product format and new flavour (chocolate, pistachio, nougat...).
- **Ready-to-eat salad**: expand our branded production through new innovative products for the relative markets characterized by local availability of raw materials. Important promotional and commercial support. Develop third companies production.
- **UHT cream**: strengthening of the project to become one of the main player in bakeries distribution channel.
- Third companies production: further development of commercial partnerships in fresh and UHT milk and yogurt by Centrale del Latte di Vicenza and ready-to-eat salads by Salads & Fruits (Centrale del Latte di Torino's division).
- Implementation for the whole Group of a **new informative system** ERP

Relationship with the local territory: food and nutrition education and sponsorship for cultural and sport events.
